Logging in for the first time

This guide will cover logging into your Enseva Azure account for the first time.

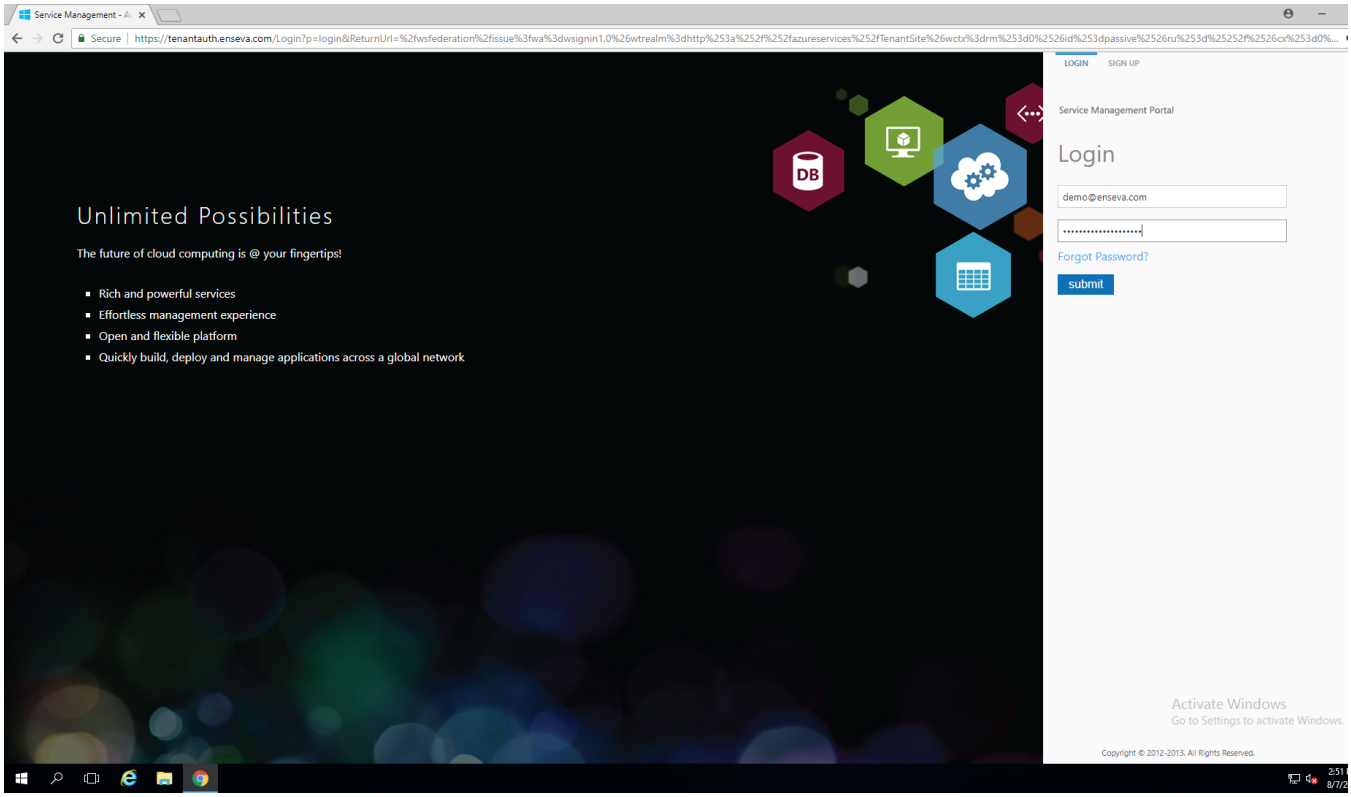

Logging into your Enseva Azure account for the first time

1. **Navigate to the Tenant Portal**

   From an internet browser, navigate to the page https://tenant.enseva.com

2. **Enter your login credentials**
   Enter your login credentials into their respective fields and click 'submit'

3. **Review your account**
   Browse this page to ensure the functionality you desire is configured for your account
