

# Logging in for the first time

This guide will cover logging into your Enseva Azure account for the first time.

## Logging into your Enseva Azure account for the first time

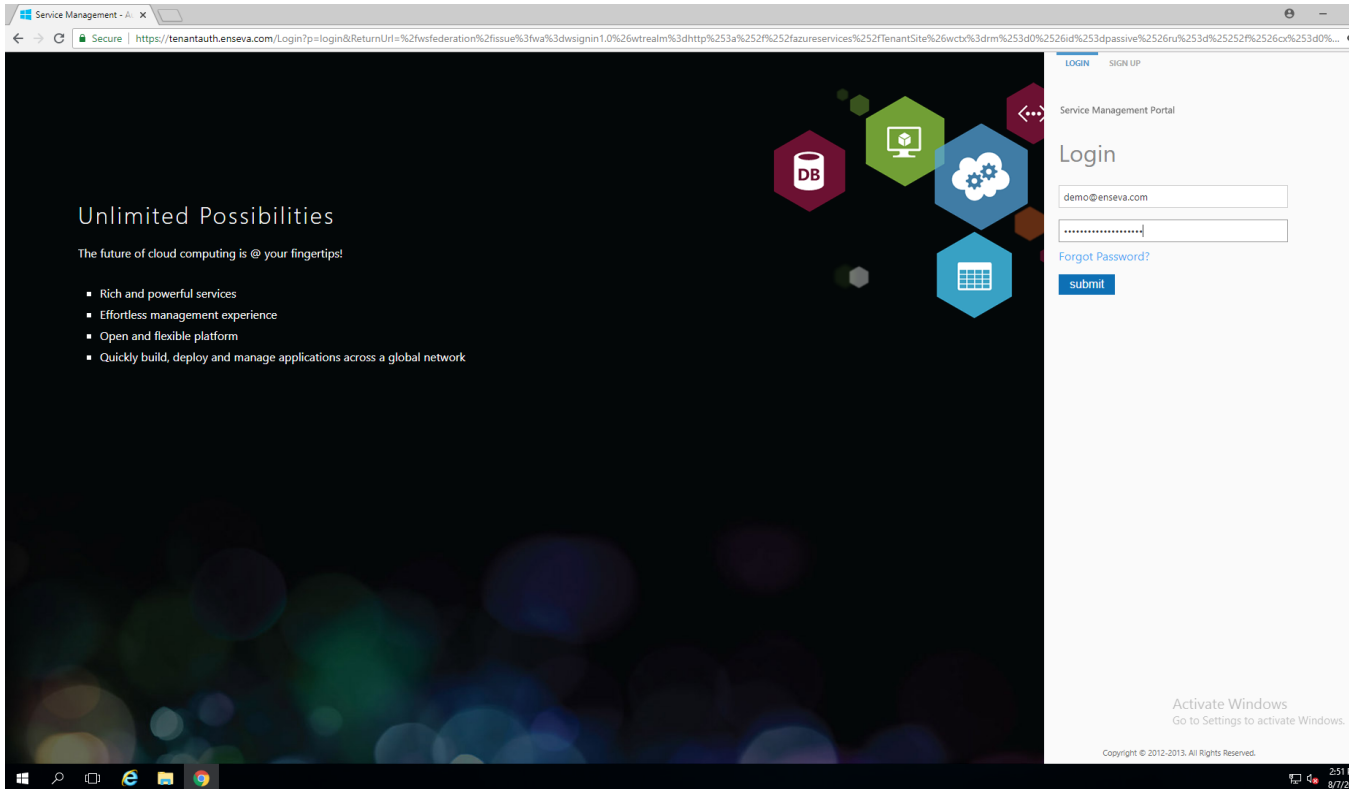

### 1. Navigate to the Tenant Portal

From an internet browser, navigate to the page <https://tenant.enseva.com>

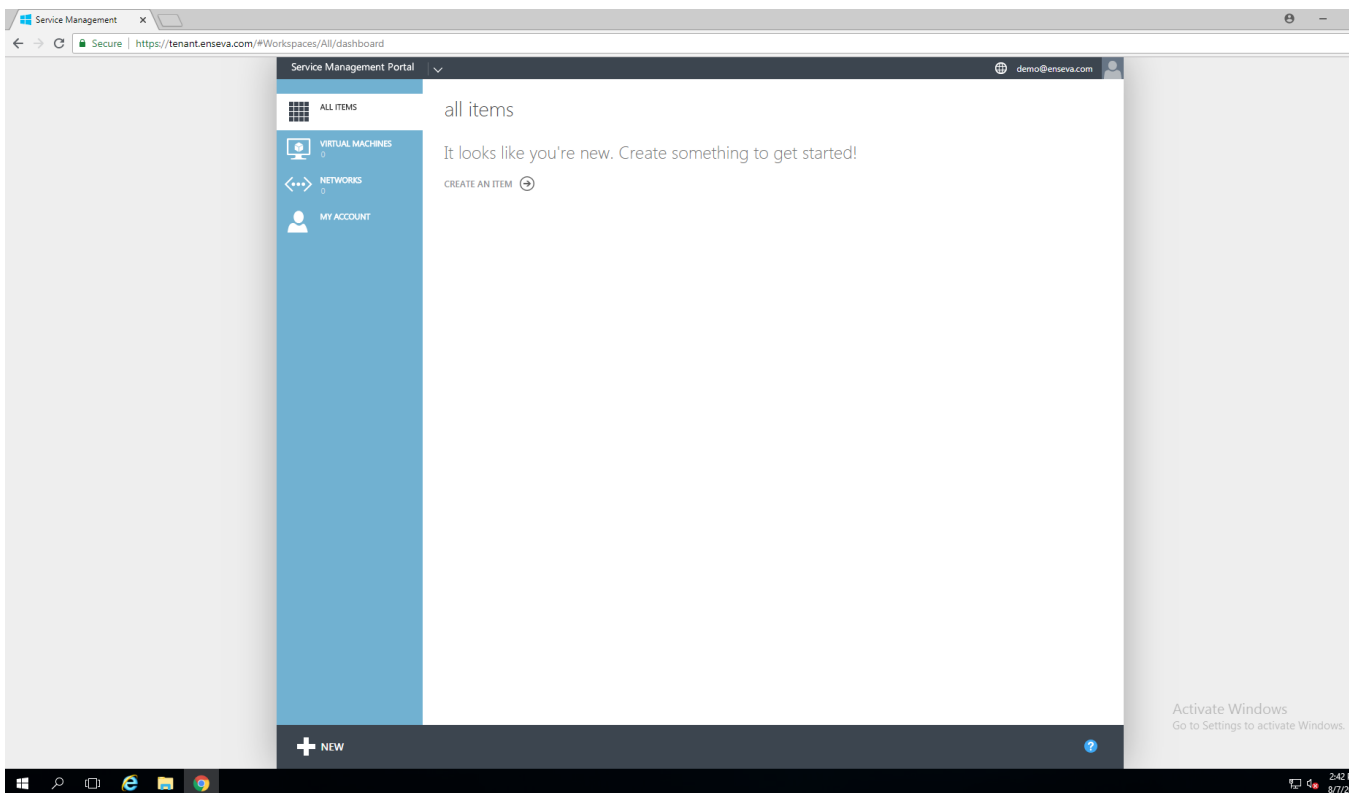

## 2. Enter your login credentials

Enter your login credentials into their respective fields and click 'submit'

## 3. Review your account

Browse this page to ensure the functionality you desire is configured for your account
