Changing Your Password

We recommend updating your password regularly to keep your account secure.

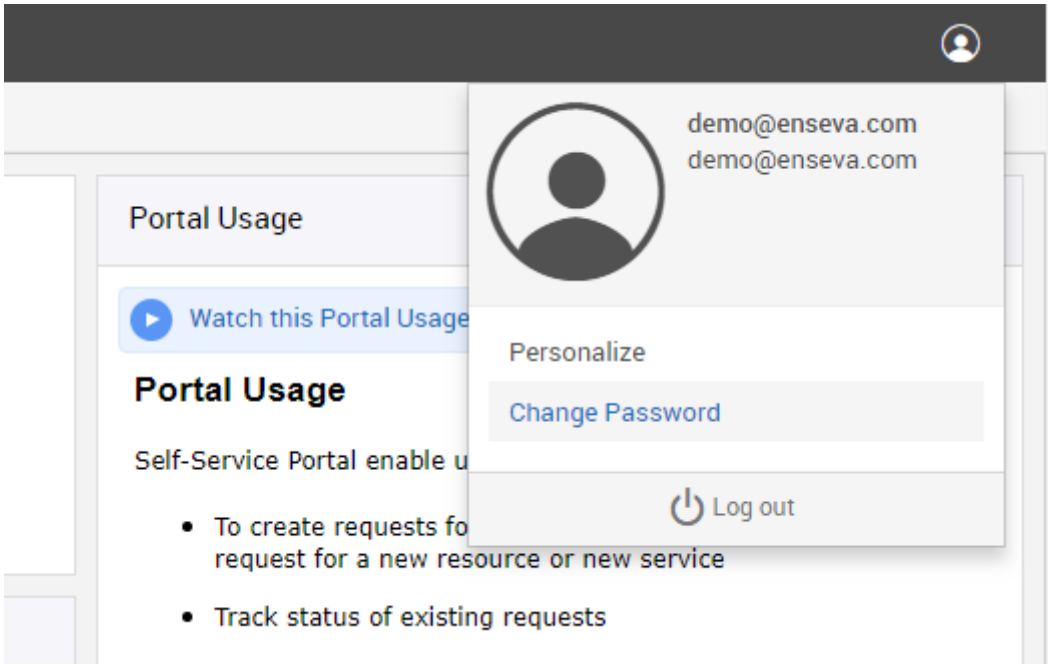

In this tutorial we will review how to update your password from your Enseva account.

Changing Your Password

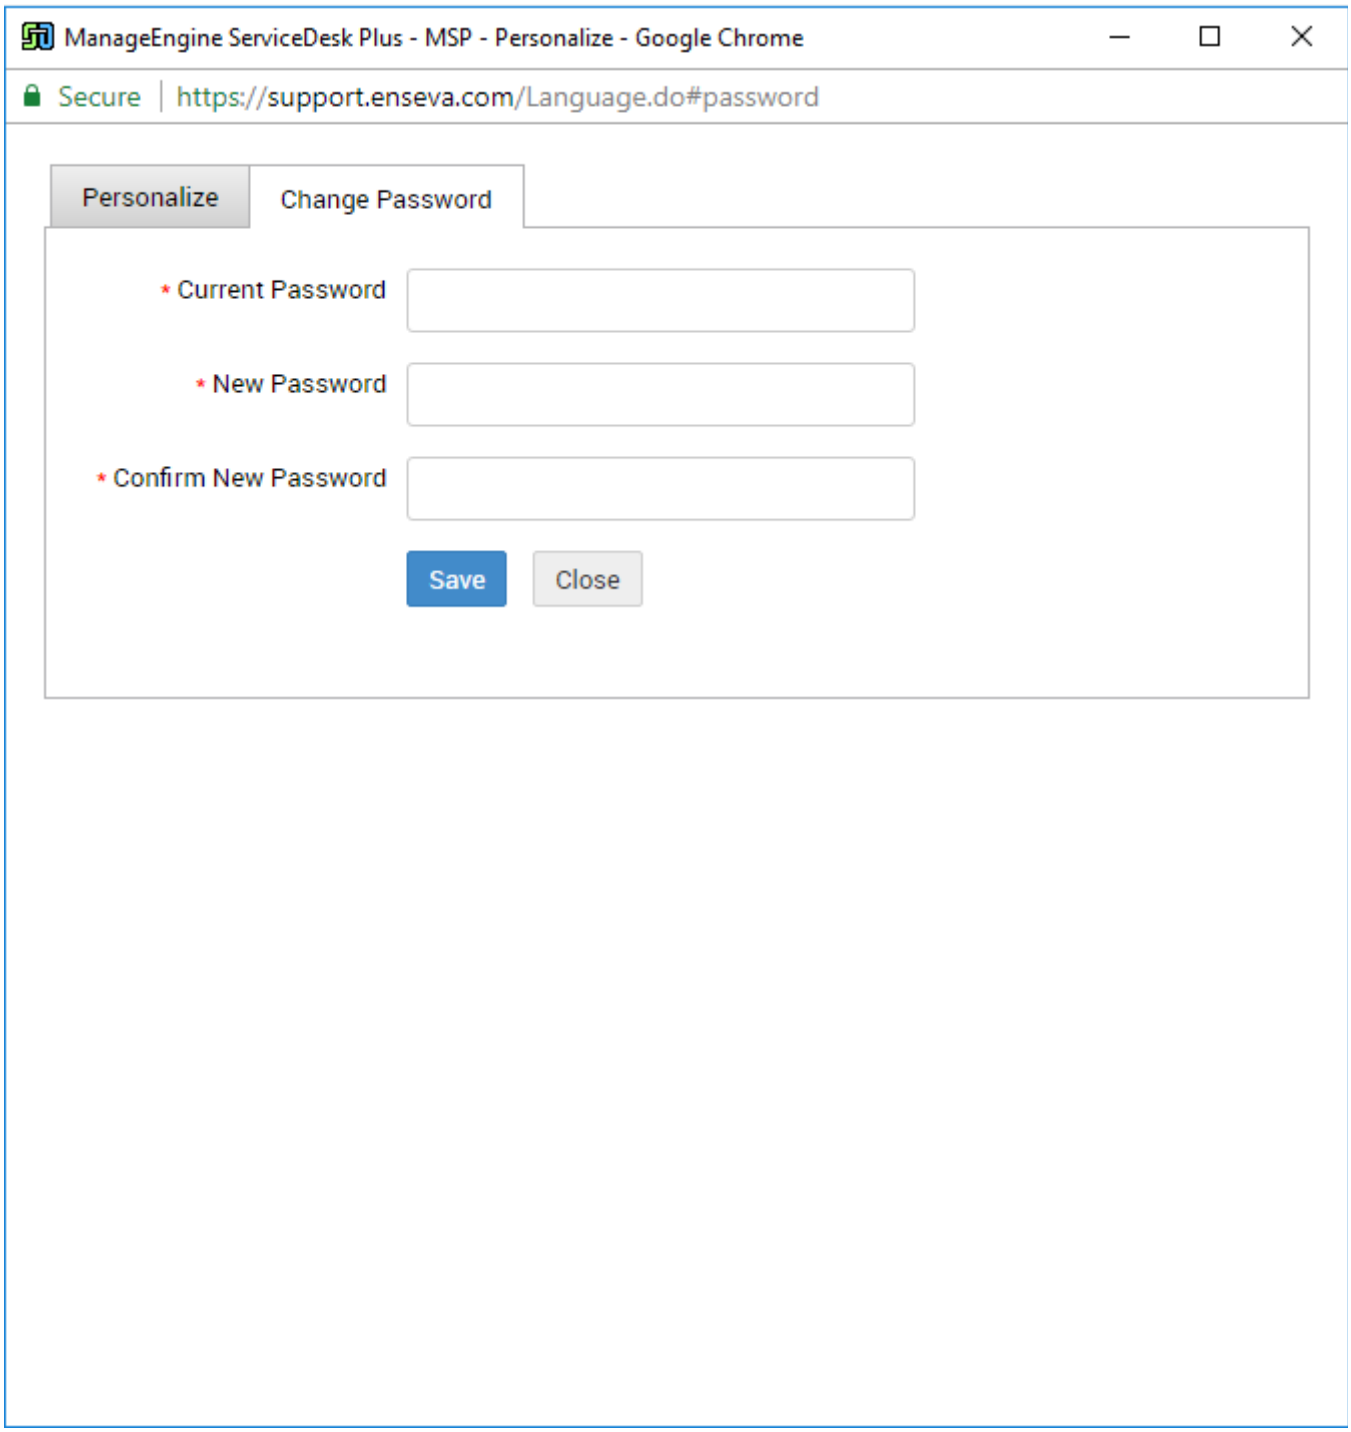

1. To change your password while logged in, click on your User Menu in the upper-right corner of your account home page.

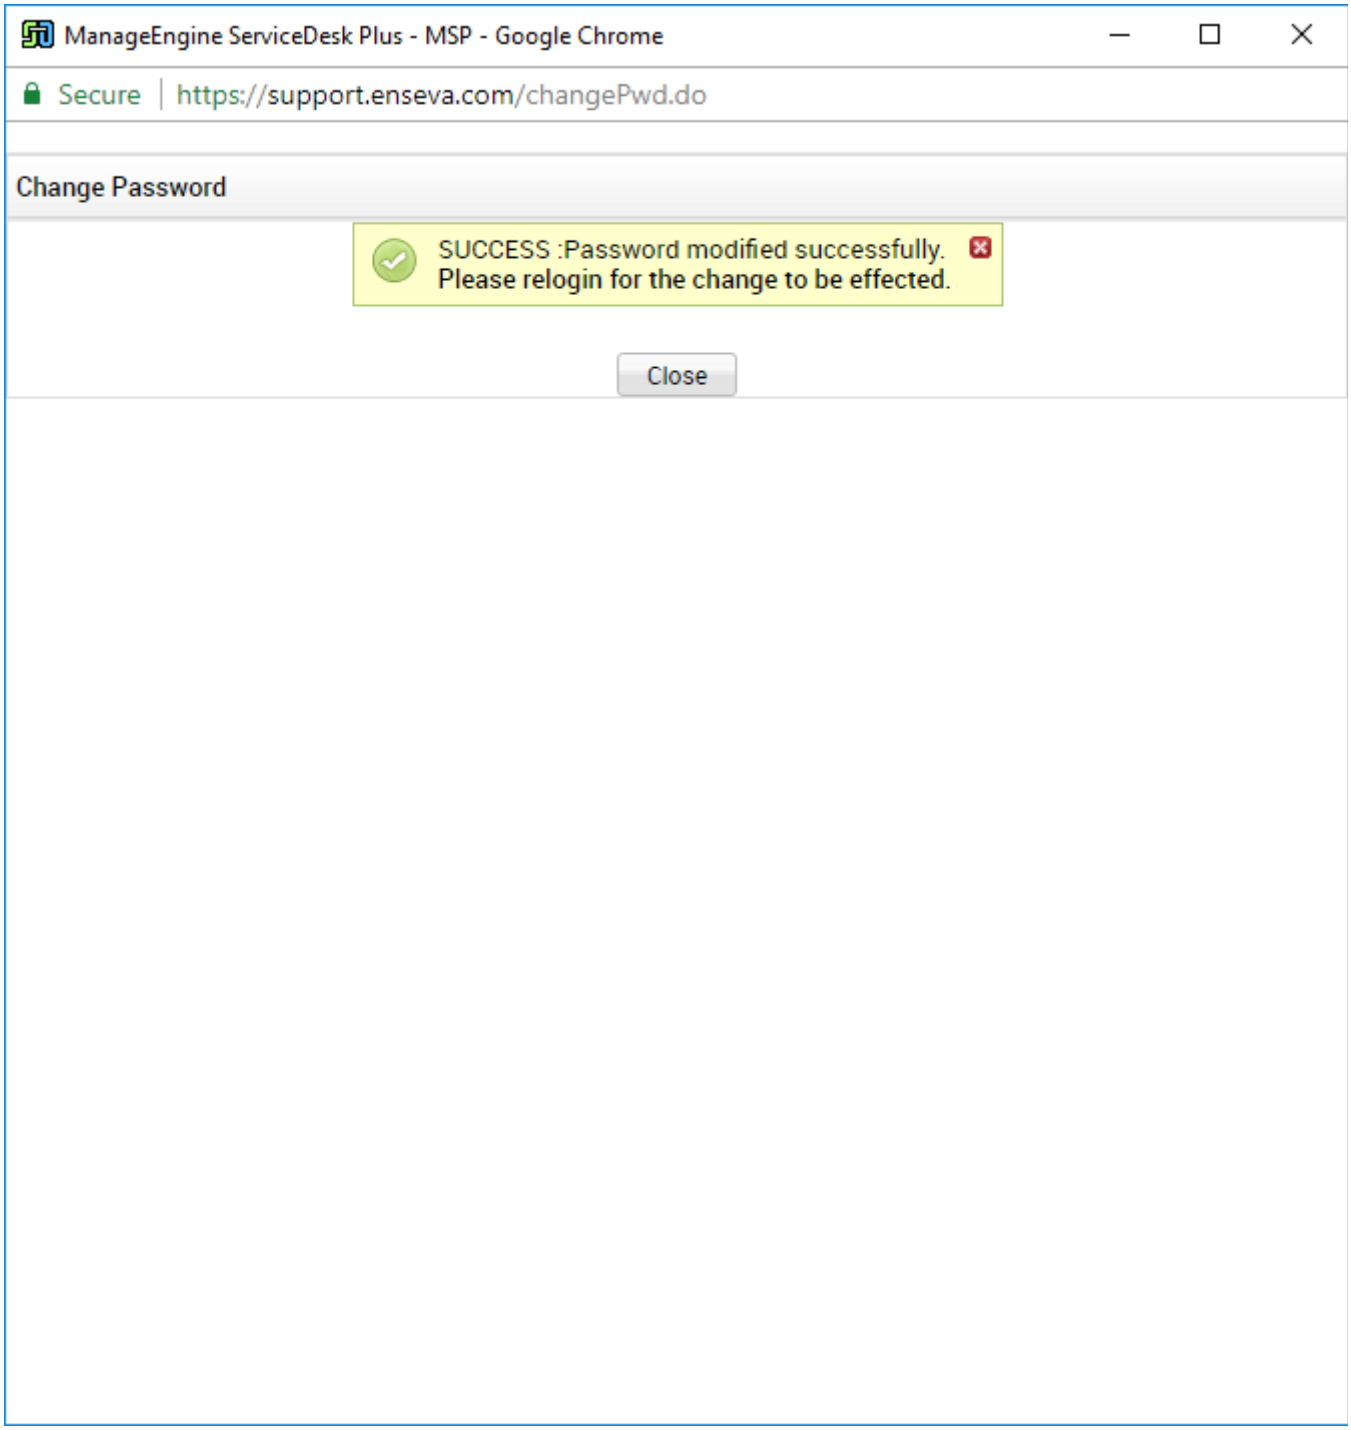

2. Click on Change Password.

3. You'll see a pop-up window as shown below.

4. After you click Save you'll see a success screen confirming you've updated your password.
